

Why not join the Conway Owners Club the best thing to do after buying your Conway Unit. Whatever type of Conway unit you own, you are eligible to join. Even if you are not a Conway Owner, but enjoy camping, membership is open to you.

A few people who joined together in 1989 believed that owners of Conway units should have a representative club, and it is now well established with over 400 families enjoying the benefits of the club.

We hold rallies and gatherings all over the country from Easter to October and sometimes even outside of these times, indeed some of us camp throughout the year and no matter what the event everyone is welcome. This gives members the chance to visit other parts of the country and also meet others who share the common interest of camping. So many friendships have been forged through the rallies and gatherings that some members meet up through the winter months at non-camping events. Everyone is welcome to join in the organised activities on our rallies, such as treasure hunt, sports, discos, barbecues the list is endless. The idea is to provide fun for all those who want it but if your idea of a perfect day is to sunbathe or explore the surrounding area, the choice is yours.

The Club produces its own quarterly magazine Contours, filled with interesting features, rally reports, funny stories, and classified adverts.

The Club has negotiated an insurance discount for trailer tents and folding campers from a well known and reputable insurance company. In fact many of our members recover their membership fee from the discount they receive, although it is not an obligation of membership that you insure your unit through them.

We also have our own range of camping and casual wear with the club motif.

There is something for everyone in the Conway Owners Club, so why not fill in the membership application form overleaf. Please send it with payment by cheque or standing order details to our secretary; alternatively you can pay by paypal. Membership covers the family unit, and household members regardless of the size of the family.
